### **Overview:**

Using art and storytelling to celebrate the unique relationship between humans and animals.

Throughout history humans have bonded in exceptional ways with animals both large and small. Many people rely on their animals to be their ears, their voice or their eyes, assisting with basic tasks. Animals are fascinating to watch as they demonstrate their unique characters and can amuse us with their antics for hours. Estuary Arts Centre's aim is to raise awareness for the tireless work that animals do by way of supporting charities such as RDA (Hibiscus Riding for the Disabled), SPCA, and Animal Rescue Groups. Artwork does not need to be restricted to domestic animals only, farm and native animals and birds will be considered.

The exhibition is open to all artists working in all art mediums. Commission will be 35% on all sales. Artworks that are not for sale can be included in this exhibition. This will be a selected exhibition due to space constraints. Acceptance is not guaranteed. Register your expression of interest by **Monday 17 June 2019, 5pm**. There is no cost to enter this exhibition for current EACT members. Non-member cost is \$10 per artwork.
