Exhibitor Agreement

This agreement is between the Estuary Arts Charitable Trust (the Trust) and the Exhibitor as listed below.

1 Originality, Saleability, Labelling and Exhibitor Profile:

All artwork must be for sale, and ready for hanging (Please use d-rings or eyelets on paintings and framed work – see hanging instructions). Artwork must be original, preferably signed, dated and clearly labelled with a “swing tag” which should be long enough to hang over the front of your work. If your work was executed in a classroom or inspired by another artist then this must be referenced. **Exhibits can have been previously shown at Estuary Arts. Wet paintings and unstable sculpture will not be accepted.**

Exhibitors should supply a one-page profile describing their work, background, awards received and relevant previous exhibition details. This will assist with the promotion of your work.

2 Entry Form

The entry form must show:

- Your name
- Your signature agreeing to these terms and conditions
- For each exhibit: the title, medium and the **sale price (which is GST inclusive and have the 35% commission factored in)**. The Trust takes no responsibility for any errors if this condition is not adhered to.

3 Registration Fee and Contract:

The Exhibitor shall pay the registration fee stated on the registration form for this group exhibition.

The signed contract and the registration fee must be received by the Trust by the date stated on the registration form. Should these not be received, the Trust reserves the right to offer the Exhibitor’s place in the Art Sale to another artist. No liability attaches to the Trust should they take this action.

4 Transport and Packaging:

The cost of delivery of artworks to Estuary Arts Centre and the return of unsold work is the responsibility of the Exhibitor. When using couriers or transport companies, work must be securely packaged in materials that can be reused to return the work if unsold and a prepaid return courier ticket included. Delivery and return of artwork is at the Exhibitor’s cost. Any claim for work broken or damaged in transit remains the responsibility of the Exhibitor.

5 Delivery, Collection Times and Removal of Works:

Artwork cannot be removed during the Art Sale without agreement from the Manager. The delivery and collection times are specified on the registration form. The Trust accepts no responsibility for any damage to artwork not collected on time. Works not collected within 3 months of the exhibitions last day will become the property of the Trust.

6 Display and Location:

The Trust’s representatives have full control of all exhibition using their nominated staff for the curation of exhibition to their satisfaction.

7 Risk and Insurance:

The Trust will take all care but accepts no responsibility for any loss or damage that occurs. **Exhibitors should arrange their own insurance.**

8 Commission:

The Trust will retain a commission of 35% of the retail price on all sales of Exhibitor’s work. The resulting amount is the Exhibitor’s price and will be paid to the Exhibitor regardless of whether they are registered for GST or not. It is the Exhibitor’s responsibility to take into account any GST content when listing the sale price. It is the Trust’s intention to pay Exhibitors on the **15th of the month following the month during which the sale was made (after deduction of the commission as above).**

9 Promotion and Opening Night / Christmas Market:

Where there is a cost associated with any other advertising or promotion required by the Exhibitor this shall be the responsibility of the Exhibitor, unless other arrangements are made with the Trust. Photographs/filming of works may be used by Estuary Arts Centre for general publicity purposes.

The Exhibitor is strongly encouraged to attend the opening night of the exhibition, and to promote the opening night through their networks.

10 Personal Details and Commissioned work:

The Trust will not give Exhibitor's personal details to any member of the public. Any commissioned work arising from the Art Sale is undertaken with the Gallery acting as "Agent" and as such the usual sales commission applies.

11 Standard of Work:

The Trust reserves the right to refuse work that in the opinion of the Trust is of a poor standard or has a subject matter that may cause offence to the general public. Artwork which is unstable or poorly framed will not be displayed.

12 Delivery and Collection Times:

Delivery and Collection Times are stated on the registration form specific to that exhibition.

- **Hanging instructions**
- **Artiteq picture hanging system:** this is the system that we use
<https://www.artiteq.co.nz>

For most artwork EAC uses the Artiteq picture hanging system. We require all framed artwork to have D-rings on and all canvases to have either D-rings or eye-lets. We use the Artiteq Ratchet and Logger hooks onto two d-rings or eyelets. This means that the work is stable and secure and will not move during the exhibition. (see image below)

Self-gripping, non-personal hook. Secures itself through the spring mechanism in the hook. Easy adjustable upwards in height by moving the entire hook and downwards in height by pressing down the upper hook of the Ratchet hook.

Max weight 15kg per hook
 30 kg per painting/artwork

D-rings

Eye-let

Swingtag

What is a swingtag?

A Saturday label with your name, title of work, medium and price which can hang in front of the work for setup and which tucks easily behind the work for the exhibition.

Why do we need a swingtag?

Once we have installed and hung the artwork we put the swingtag over the front of the artwork so when we are checking that the details on the labels are correct against the information provided on the swingtag. This speeds up the process and also safeguards your work from being handled unnecessarily. If the label falls off the wall, we can easily identify the artwork from the information on the swingtag.
