DESCRIPTION & PURPOSE

OF THE EXHIBITION

The Baha'i community of Rodney is joining millions of people from around the world in commemorating the 200th anniversary of the Birth of the Bab, one of the twin co-founding Prophets of the Baha'i Faith. As an independent world religion, the Baha'i Faith holds preminent the principles of the oneness of God, the oneness of religion and the oneness of humankind.

This open art exhibition in Rodney is one of the many diverse global celebrations of this historic occasion. The theme for this exhibition, reflecting a belief in oneness, is:

“Ko te kotahitanga te whakaaro / Expressions of Unity”

Those of you wishing to contribute to this exhibition have this theme as your brief. The selection panel looks forward to receiving your creative endeavours in expectation that our collective response will reflect the true diversity of our community.
